

Pancreatic Cancer Scotland

A Registered Scottish Charity
SC041740

Pancreatic Cancer Scotland
Department of Pancreatic Surgery
Glasgow Royal Infirmary
12-14 Alexandra Parade
GLASGOW G31 2ER

Help 'change the numbers.....'

Pancreatic Cancer Scotland has been formed because:

- Pancreatic cancer has only a 3% survival rate;
- It is the 5th commonest cause of cancer death in Scotland;
- Receives on 1% of overall cancer research funding; and
- 90% of patients are diagnosed too late for potentially curative surgery.

Our objectives are:

- To promote awareness of pancreatic cancer in Scotland;
- To advance research projects in Scotland;
- To advance the standard of healthcare for individuals suffering from pancreatic cancer in Scotland.
